An existing home occupation child care provider can exceed the four child limit, to a maximum of 6, only where the additional children are siblings of one or more of the children then being kept. Any State requirement applicable to the number of children being kept shall be complied with. If State requirements conflict with the limitations of this ordinance, the expansion or modification will not be allowed.

Section 26-187 of the Crestwood Municipal Code sets forth the following regulations regarding Home Occupation within the City of Crestwood:

- A. Restrictions and Limitations: Home occupations shall be permitted as an accessory use to a residential use in any district subject to the requirements of this section.
1. Home occupations shall be operated entirely from the primary residential structure and shall not occupy more than fifteen percent (15%) of the total floor area of the main residential building, with the use of the dwelling for a home occupation being clearly incidental and subordinate to its use for residential purposes by its occupants. No home occupation is to be conducted in a garage or other accessory structure and no commodities can be stored on the premise.
  2. No alteration of the exterior of the principal residential building shall be made which changes the character thereof as a residence, or presents other visible evidence of conduct of the home occupation.
  3. No outdoor storage of materials or equipment used in the home occupation shall be permitted.
  4. No person shall be engaged in such home occupation other than a person occupying such dwelling unit as his residence.
  5. No equipment shall be utilized that creates a nuisance due to odor, vibration, noise, electrical interference or fluctuation in line voltage beyond the property line of the lot upon which the home occupation is conducted.
  6. No generation of parking beyond that required for normal occupation of the residence. Any vehicle used in the home occupation which has advertising thereon cannot be parked on the street.

As such, home occupation permits shall not be transferable and shall terminate upon sale or transfer of the property to a new owner.
